Re: New Attorney Training

Dear Dan:

I want to take this time to thank you for your participation as an instructor in our New Attorney Training from June 11, 2001 to July 2, 2001. I know I have said this before but it bears repeating. Your time and effort make this program worthwhile. I want to share with you something that was written by one of the latest participants. They wrote on the evaluation cover sheet "Russ and the others did a hell of a job preparing our class for the rigors of becoming an effective public defender". I think that says it all.

Thank you again for your commitment to our program and the expertise that you so willingly share with others.

The fact that you are in private practice and still want to participate in new attorney training says volumes about your commitment to quality representation.

Believe it or not, I will be starting a new training session on August 20<sup>th</sup>. I will be in touch with you after August 8<sup>th</sup>, to once again schedule your presentation.

Sincerely Yours,

Russell G. Born  
Training Director
